Xpert Personal Protective Equipment

ESAB Xpert personal protective equipment provide users with protection against industrial hazards. The fit-for-purpose design combines safety with affordability with user comfort at its heart.

Helmets

Xpert A11 - Auto Darkening Helmet

Xpert A11 Auto Darkening helmets are designed to protect user's eyes and face from sparks, spatter and harmful radiation. Xpert A11's filter automatically changes from light state to dark state when welding arc strikes.

- Viewing area : 89 x 35 mm
- Optical Shade : DIN 11
- Class : 1/ 1/ 1/ 2
- Standard : CE: EN379/ 2009, EN175:1997
- Weight : 382 gms

Xpert Welding Helmet

Xpert welding helmets help protect users from arc radiation, weld sparks and spatters that strike directly against the helmet. These passive welding helmets come with a flip-up window for Grinding and Cleaning operations.

- Viewing area : 83 x 108 mm
- Weight : 450 gms

Xpert Welding Hand-Shield

Xpert Welding Hand Shields protect user's face, neck, ears and head from welding heat and spatter. With a length of 370 mm and width of 228 mm, a welder owns the best shield against heat and spatter.

- Viewing area : 83 x 108 mm
- Weight : 285 gms
- MOC : Heat resistant PPCP

Xpert Welding Hand-Gloves

Xpert Welding Gloves are made with superior quality natural dyed leather and stitched using heat resistant threads. These gloves sustain heat upto 150 °C temperature.

- Size L
- Cotton lining for comfort
- Reinforced thumb crotch
- Pack of 10 pairs

Xpert Welding Aprons

Xpert Welding Aprons are made from superior quality, even thickness, single piece leather. These Aprons are specially designed with adjustable neck loop for comfort.

- Adjustable neck loop
- Stitched with Heat resistant threads
